Mil Mascaras W. The Magnificent Muraco -DQ. (Muraco pulled the referee, into the firing line of a Mascaras Flying Body Attack, and therefore, the referee was knocked to the mat. The referee then disqualified Muraco, for this action.)
Andre The Giant W. King Kong Mosca (By pin, with a Flying Big Splash.)
Bruno Sammartino W. George Steele (The Finish came when Steele removed the turnbuckle padding from one of the top corner turnbuckles. This was Steele's downfall, as Bruno capitalized on it, by Flinging George into the corner turnbuckles. Steele hit his head, on the top corner turnbuckle that did not have the padding, George then fell backwards to the mat.

(Continued)

Bruno then pinned Steele, with a One Leg/½ Jack-Knife. Steele during this wild encounter had his regular white stick-type foreign object. Steele, also, tried to use a folding chair, a paper cup filled with soda, and a press table. Bruno used Steele's assorted weapons on George. Steele was splashed with soda in his face, also. Steele left the ring, fast, after he connected head-first into the press table, that was thrown into the ring by George. This was another stupid move by Steele. In this match, Bruno kicked Steele to "Kingdom Come". Both Bruno and Steele fought like wildcats, in this vicious battle. Bruno left left the ring, as the proud victor.)

Tony Atlas W. The Masked Executioner (Atlas picked up The Executioner, with a High Over-Head Lift, and then Body Slammed him to the mat. Atlas then pinned The Masked Man, to capture a great win.)

Tony Garea & Rick Martel W. Bulldog Brower & Larry Sharpe (Garea pinned Brower, with a one Leg/½ Jack-Knife, after a Flying Dropkick, by Martel.)

NEXT CARD AT THE BRENDAN BYRNE MEADOWLANDS ARENA, EAST RUTHERFORD, NEW JERSEY: 12/13/81

NOTES ON BRUNO SAMMARTINO:

Bruno Sammartino may have wrestled his final bout, in The U.S.A., in The State Of New Jersey. By the time you read this, he has also, just completed a brief wrestling tour of Japan. Sammartino has just retired, as an active competitor, in the Sport Of Pro Wrestling. He has been in the mat game for over twenty years, and has been The W.W.F. Heavyweight Champion, on two seperate occasions. Bruno's last bout in The U.S.A., against George"The Animal" Steele, was a brutal one; both of these men have faced each other, numerous times, over the years. It was indeed great to see Bruno "The Living Legend Of Wrestling" Sammartino, in action; it was sad that it may have been for the last time.

S.T.H. WORLD MAT NEWS
BY
PAUL ABBINANTE

A.W.A. Southwest Championship Wrestling Of San Antonio, Texas, and A.W.A. Houston, Texas Wrestling Circuits, have been fast moving. A.W.A. World H.C., Nick Bockwinkel, has been defending his title against Bruiser Brody, as well as The Junkyard Dog, in this region. Manny Fernandez has been feuding with Southwest H.C., Dick Slater. Slater is a terrific wrestler, and will hold his own, against any top grappler. Slater is also feuding with Tiger Conway, Jr. Conway, Jr. is after Slater's title. Manny Fernandez and Ken Patera, have been feuding with The Brass Knucks title going back and forth, between them. To current info, Fernandez is presently holding on to The Brass Knucks Crown. Mil Mascaras and his brother, Dos Caras, are feuding with "Gorgeous" Gino Hernandez and "Terrific" Tully Blanchard. Dos Caras is after Hernandez, and wants to do him in. Look for these four grapplers, to feud for quite some time. This region of Texas, is always moving with Top-Notch Pro-Wrestling.

In The N.W.A./A.W.A./C.W.A. Memphis, Tennessee Circuit, mat action has been on the rise. The Dream Machine recently beat Jimmy Valiant, for The A.W.A. Southen H.C. The Machine is one rough titleholder. Koko Ware has just turned rule-breaker, and is now known as Sweet Brown Sugar. Sugar (Ware), along with Stan Lane, are the current A.W.A. Southern T.T.C. Sugar is also feuding with Jerry "The King" Lawler, in a violent series of rough battles. Dutch Mantell has defeated Steve Keirn, for The N.W.A. Mid-America H.C., in a scientific showdown. Mantell and Keirn are still the best of friends. The masked duo of The Nightmare I and Speed, are feuding with the exciting brother combination of Rick and Robert Gibson. These two teams are at war, with one another. This circuit is always hopping with exciting mat happenings.

Mat action in The M.S.W.A. Louisiana- Mississippi Circuit, has been booming. This organization has ties with The N.W.A. Georgia Circuit, and The N.W.A. Dallas/Fort Worth, Texas Circuit. The Great Kabuki, managed by Gary Hart, beat Bob Roop for The Louisiana H.C. Kabuki is a very rough grappler, and is very tough to beat for the title. Roop has turned rule-breaker, and is feuding with Ted DiBiase. Roop and DiBiase once friends, now bitter enemies, have

(Continued)

a deep-rooted hatred for one another. Roop is also feuding with the Junkyard Dog, and Jim Garvin.Mississippi H.C., Bob Orton, Jr. is feuding with Jim Garvin, in a series of grudge bouts. M.S.W.A. North American H.C., Paul Orndorff, and his brother, Terry Orndorff, who is now a rule-breaker, also, are both after The Junkyard Dog. The Orndorff brothers are a tough combo, and are giving The Junkyard Dog a hart time, in singles bouts, and in tag bouts. The Dog has teamed recently, with fan favorites, Mike George, Ted DiBiase, and others, to form rough competition against The Orndorff brothers. Afa and Sika, The Wild Samoans, also known as The Samoan Warriors, to current info, are still The M.S.W.A. T.T.C., managed by Ernie "The Cat" Ladd. Scandor Akbar is now Back in this region, and is managing The Iron Sheik. Akbar and The Iron Sheik make an awesome duo, in more ways than one. Akbar is after "Cowboy" Bill Watts, who is still The M.S.W.A. Brass Knucks champ. Look for Akbar and Watts, to feud for a long, long time. N.W.A. U.S.-American H.C., Kerry Von Erich, and former N.W.A. World H.C., Dusty Rhodes, have both been in action, in this circuit, recently. This region is always on tap, with great mat action.

N.W.A. mat action in The Georgia Championship Wrestling Circuit, has been going great guns. N.W.A. World H.C., Ric Flair, is putting his title on the line, against all comers, including the former N.W.A. World H.C., Dusty Rhodes. Rhodes and Flair have a rivalry that is reaching outrageous proportions. Both grapplers are out to do the other in. "Wildfire" Tommy Rich defeated The Superstar, for The National H.C. Rich is a great wrestler, and will be a very active titleholder. The Superstar, to current info, may still be The Georgia H.C., despite being recently suspended in Georgia and Nationally, by N.W.A. Representative/Georgia Promoter, George Scott. The Georgia H.C., at the present time, must be in the state of limbo, unless The Superstar gets reinstated by The N.W.A., to wrestle in The U.S.A., again. Then, this will more than likely reactivate The Georgia H.C., unless The Superstar has been stripped of The Georgia H.C.; at this writing, we are not sure of the status of The Georgia H.C. The Superstar has placed a large Sum of bounty money, on the head of "Wildfire" Tommy Rich. Manager/Wrestler, The Great Mephisto, and his two charges, Ray Stevens and Tor Kamata, are out to collect The Superstar's bounty money, if they succeed in putting Rich out of action, by injuring him. Mephisto, Stevens, and Kamata, will try their best to do away with Rich, and collect The Superstar's bounty money. So now, National H.C.,"Wildfire" Rich, is faced with a long series of "Bounty Matches", against Mephisto's charges, Stevens and Kamata. Rich has his work cut out for himself. " Mr.Excitement-Mr. Unpredictable", Dick Slater, has recently appeared, once again, on The Georgia mat scene, and will give Rich, a helping hand against Mephisto and his charges. Slater is after all of the rule-breakers, in The Peach State. "The Fabulous Freebird", Michael Hayes and former football great, Otis Sistrunk, have defeated Jimmy "Superfly" Snuka and the former Fabulous Freebird, Terry Gordy. Hayes still has a vicious grudge against his former partner, Gordy. They have been feuding in a series of riotous brawls. It looks like The Hayes-Gordy feud will last for quite some time. The Great Kabuki, and manager, Gary Hart, have invaded this region, and are creating quite a stir. Kabuki is a tough rule-breaker, and is unstoppable, at the present time. Mr. Wrestling 2 and Steve O, are still in this region, and treating the fans to some real good wrestling. Jim Duggan is once again, in this area, and looks very impressive. As always, this circuit continues to have stupendous mat action.

N.W.A. mat action in Florida, has been fast moving. N.W.A. Southern H.C., Bobby Jaggers has been doing quite well, holding his crown. Charlie Cook is still The Florida H.C., turning back all serious competition,Eddy Mansfield is the proud holder of The Florida TV Title, and is feuding with Tommy Gilbert and Mike Graham, plus a host of others. To current info, Jerry "The King" Lawler, is reconized as this region's Brass Knucks Champ. Jerry Brisco has been looking sensational, since beating Les Thornton, for The N.W.A.

(Continued)

World Jr. H.C. Jerry Brisco along with brother, Jack Brisco, are feuding with The Assassins #1 and #2, as well as The Kiwi Sheepherders. The Sheepherders are an unstoppable duo. Ox Baker and Ernie Ladd, are both in The Sunshine State, and are after former N.W.A. World H.C., Dusty Rhodes. Rhodes is feuding with both of them, and of course The Assassin #1. Rhodes has his work cut out for himself. David Sierra, a newcomer in this area, is making quite a name, for himself. The Sunshine State is always Jumping with Sensational Pro-Wrestling.

N.W.A. mat action in ST. Louis, Missouri, has been fast and furious. Jack Brisco defeated Ted DiBiase, for The Missouri H.C. Both men are tremendous fan favorites, and wrestle to their full capabilities. Look for Jack Brisco to hold on to the prestigious Missouri H.C, for a long time.
Ken Patera is still feuding with Jack Brisco, and would like to capture his crown. N.W.A. World H.C., Ric Flair, is a sensational grappler, and still has an on going feud with former N.W.A. World H.C., Harley Race. All battles between Flair and Race, are considered classic confrontations, between two great mat men. As always, The Mound City, continues to have terrific mat encounters.

Mat action in The W.W.A.-Indianapolis, Indiana Circuit, has been Skyrocketing. Blackjack Mulligan is the new W.W.A. World H.C. Former champions have been Bobo Brazil, Johnny Valiant, and Dick The Bruiser, in that order. Look for Mulligan to have a long title reign. Dick The Bruiser and Wilbur Snyder are feuding with W.W.A. World T.T.C., Pat and Mike Kelly. Spike Huber and Paul Christy are currently feuding. John Studd is now in this area. Ox Baker has returned to this region. This circuit is always tops, with Good Pro-Wrestling.

Mat action in The W.W.F.-North East Region, has been hot and heavy. W.W.F. H.C., Bob Backlund, continues to retain his crown, by turning back some top challengers. W.W.F. Inter-Continental H.C., The Magnificent Muraco, is still feuding with Bob Backlund and former W.W.F. Inter-Continental H.C., Pedro Morales. Morales and Muraco have no love for each other, and want to destroy one another. Muraco is after Backlund's W.W.F. H.C., and so is Greg Valentine. Pat Patterson is still waging a vicious and brutal war against King Kong Mosca, the man who once injured him. Look for Pat and King Kong to feud for quite some time. Andre The Giant is still giving Killer Khan - what for, in their series of grudge battles. Tony Atlas has been going great guns, in this region. Atlas has teamed with Special Delivery Jones, recently. Mil Mascaras has recently been in this area, and looked as impressive, as ever. Mr. Fuji and Mr. Saito, managed by Captain Lou Albano, defeated Tony Garea and Rick Martel, for The W.W.F. T.T.C. Fuji and Saito are a rough duo, and will more than likely hold on their new belts, for a long, long time. Manager Freddie Blassie, has brought former A.W.A. World T.T.C., Jesse Ventura and Adrian Adonis, to this area; via the tv tapings, held in Pennsylvania. Both Ventura and Adonis, have looked very impressive, in their initial appearances. They have been in only singles competition, and have not appeared in tag bouts - yet, but more than likely will, in the very near future. Former W.W.F. H.C.,"The Living Legend Of Pro-Wrestling" Sammartino, has just retired from active competition, as a Pro-Wrestler. This circuit is always swift moving with sensational mat excitment.

Curt Hennig W. Joe Cox (By pin, with a Full Jack-Knife/Sunset Flip.)
Tony Garea & Rick Martel W. Mr. Fuji & Mr. Saito -DQ. (The Japanese duo were disqualified, by the referee, for double teaming, and manhandling Garea. Garea & Martel were declared the winners.)
Pedro Morales W. The Magnificent Muraco -T.K.O. (Morales bloodied Muraco's forehead, by punching him out. Morales continued to punch Muraco to a bloody pulp. Muraco, indeed, got a good beating, from the hot tempered Latin mat man. The referee stopped the bout, and gave the decision to Morales, due to excessive bleeding, on the part of Muraco. This decision, that was given to Morales, can generally be called a Technical Knock Out (T.K.O.). Morales fought with Muraco, after the final bell, also. Morales still continued to beat on Muraco, who was indeed, in very bad shape. Morales was clearly the winner, in this brutal and bloody fracas.)
Dusty Rhodes W. Ron Shaw (Rhodes made quick work of Shaw. Dusty scored a pin, with a ½ Jack-Knife. To set up the pin, Dusty hit Shaw, with a Flying Elboy Smash, Followed then by a Flying Elbow Drop.)
Bob Backlund NO DECISION Greg Valentine (This Bout ended in controversy. The unusual ending that occurred, was beyond belief. It started when Valentine had Backlund up in an Airplane Spin. As Backlund was spinning, the referee got in the way of Backlund's moving body, and was knocked to the mat. Backlund's weight, and apparently Valentine's dizziness caused Greg to fall backwards to the mat, with Bob on top of Greg. The referee then recovered, or so it seemed, and counted Valentine's Shoulders, to the mat. Backlund appeared to be the winner, for some strange reason the inept and stunned referee held Valentine's arm up in the air, as a token of victory. Backlund was in shock over what just happened. Several officals got in to the ring, to try to sort out this apparent mess. They, then, ruled this bout, a "NO DECISION", and Backlund's W.W.F. H.C. Title and Belt, was held up. Valentine earlier, left the ring, with The W.W.F. H.C. Title Belt. Why was Bob's Belt held up, by The W.W.F., and The New York State Athletic Commission Officials? Backlund should have kept the title. Backlund and Manager, Arnold Skoaland, were furious over this unjust outcome, to say the least. Why hold up The W.W.F. H.C., when Bob clearly pinned Valentine? The referee for this bout, was very foolish, as well as inept, even if he appeared to be stunned, from the knock and fall that he took. The New York State Athletic Commission, and The W.W.F. Officials, saw what really occurred. Why should they have The W.W.F. H.C., in a state of limbo, until they pair up Valentine and Backlund, for a title rematch? Bob in everyone's mind is still The W.W.F. H.C., despite the inept officials' decision, to hold up The W.W.F. H.C. Title, and Belt. Bob should protest this unjust decision, even more than he did, after all, he did pin Valentine's shoulders to the mat, for the official count of three. This was a foolish ending, to this bout, indeed. It should never have been ruled a "NO DECISION", because anyone with good or fair eyesight, saw exactly what happened.)

(Continued)

Pat Patterson W. King Kong Mosca (The finish of this wild bout occurred, when Mosca caught Pat, in a full nelson hold. Both men were in the corner turnbuckle area, during this action. Pat then jumped up, and kicked off one of the corner turnbuckles, and fell down backwards, with Mosca, under him, on the mat. Pat's back was on Mosca's head, and upper chest. Pat's shoulders were down on the mat, but the referee counted Mosca's shoulders, which were down on the mat. The referee counted to three, and gave the victory to the happy Patterson. Mosca was boiling mad, with the decision of this rough bout. Mosca went wild, as usual, knowing that he was the loser. Mosca always takes his madness out on the referee.)
Dom DeNucci & Special Delivery Jones W. Johnny Rodz & Jose Estrada (Jones pinned Estrada, with a full Jack-Knife Cradle/Sunset Flip type hold.)
Tony Atlas W. Killer Khan -C.O.R. (Atlas lifted Khan high over his head, and then body slammed him, to the mat. Khan then left the ring, and went back to the dressing room; only to be counted out, outside of the ring, by the referee. Atlas was then declared the proud victor.)

CORRECTIONS

We, inadvertently, made the following errors in our last issue (#42).

The following is an expanded clarification of a bout that was witnessed live:

9/21/81 MADISON SQUARE GARDEN, NEW YORK CITY, NEW YORK

Mr. Fuji and Mr. Saito Beat Rick Martel, to Co-Win a twenty man, over the top rope battle royal, and to recieve ten thousand dollars. (The last six men in the ring were: Mr. Fuji, Mr. Saito, Rick Martel, Dom DeNucci, Special Delivery Jones, and Tony Garea. Garea was eliminated, when Martel dropkicked him, over the top rope, out of the ring, by mistake. Jones was eliminated, when he got knocked out of the ring, by error. DeNucci had Fuji up in an Airplane Spin, when Jones, inadvertently, got in the way of The Airplane Spin, and fell out of the ring. DeNucci was then eliminated from the ring. Martel was then left in the ring, all alone, with Fuji and Saito. Martel held his own, for only a short time, against this rugged Japanese Duo. Martel was then eliminated, when Saito whipped him, over the top rope, out of the ring, to the ring side floor. The ever present Fuji helped to dump Martel, out of the ring, when Saito tossed Rick, in his direction. Fuji and Saito did not want to wrestle each other, so they were then announced as The Co-Victors, in this torrid Fracas.)
